ANNUAL REPORT OF THE WEARE POLICE DEPARTMENT

There was a general increase in cases requiring police work in Weare during 1963. Breaking, entering and larceny cases were far more numerous than in any previous year. Motor vehicle accidents showed a sharp increase in numbers and several resulted in serious bodily injury. Our Rescue Squad is called in on most all accidents, not only to render First Aid, but to assist in traffic control which is a serious problem.

1963 saw a big increase in cases involving juveniles. Keeping our young people out of trouble is perhaps our most important job. If you as parents know where your children are and what they are doing, they will not get into much trouble.

The Red Network operators received 56 calls for police and about 40 calls were received by officers individually.

The State Police were called in to assist in the more serious accidents and breaks. Fine cooperation is received from them and we appreciate their assistance.

Sixteen house breaks were solved and most of the stolen property recovered.

A night patrol was started in August after a rash of breaks and malicious damage. This patrol was continued for 10 weeks for 2 or 3 nights a week. The service cost $246.06 and entailed 127 hours time and 1381 miles traveled. This patrol was unscheduled and without any set pattern yet proved very worthwhile.

Cases Handled During the Year

Breaking, entering and larceny	24	Locate persons	3
Motor Vehicle Accidents	21	Investigations	3
Assaults	2	Traffic Violations	2
Dog Complaints	1	Cases involving Juveniles	12
Fires	3	Vandalism	6
Injured Persons	2	Shooting Investigation	1
Drunken Drivers	1	Lost Animals	6
Prowlers	2	Arrest for other Depts.	2
Summons served for other Depts	2		

We would like to thank the police in the adjoining towns, the State Police and the citizens of Weare who have assisted us in the protection of life and property during the past year.

Gerald H. Hight, Chief
Weare Police Department

ANNUAL REPORT OF THE WEARE VOLUNTEER FIRE DEPARTMENT

The year of 1963 has been a very active one for the department. Forty-nine calls were answered: 7 building fires, 12 chimney fires, 11 brush and grass fires, 3 car fires, 2 electric power line fires, 5 dump fires, 2 alarm system calls, 3 investigations for smoke in buildings and 3 calls to check on fires burning legally. While this is the greatest number of calls ever answered in any one year, the losses were small. The two camps which burned were the most serious fires. One was on an island in the lake and the other adjacent to woods; both were all involved when discovered and unoccupied at the time.

Two brush fires were from lightning and the worst were woods fires. They burned deep and were difficult to extinguish and expensive. Several of these fires resulted from burning of brush, fields and rubbish; the fires getting away sometime afterward. We had no fires during the extremely hazardous fall fire season which proved that fire prevention was constantly in the minds and actions of our citizens.

Make certain that your heating systems are in good condition and fuse your electrical circuits properly. Report any smokes or suspicious circumstances immediately.

Over 220 calls were answered by the Red Network operators: 49 fires, 56 police, 18 for Rescue Squad, 11 information on fires, 9 information police, 4 to locate persons, 2 electric wires down, 28 wrong numbers, 29 false calls, 2 power failures. Our Red Network is very efficient and is giving 24 hour service for all emergencies. One of our original operators asked to be relieved from her duties and the phone was relocated. Mrs. Marjorie Eaton had been on duty from the start of the dial system in Weare and had rendered a great service to the town. We regret losing the services of an able and experienced operator. Mrs. Doris Hadley has taken on the duties of an operator. Cards giving the Red Network number and directions for emergency calls have been distributed by the Fire Department. If you do not have one ask and we will see that you have one. Hang it near your phone.

The Rescue Squad answered 18 calls. Eight persons seriously injured in auto accidents were cared for. Other cases handled were a broken leg, broken arm, brain concussion, heart attacks and lost children. Emergency transportation to the hospital was provided for in all cases requiring this service.

A Standard Red Cross First Aid Course was conducted. Fifteen men and women took this course. Groups were trained in the use of the resusitator and artifical respiration.

The men in the department attended 12 meetings and 7 drills and tests of equipment. Work sessions were conducted to improve and maintain equipment and facilities. The following was done at no expense to the town except for materials used: painting outside of So. Weare Station, painting floor of the East Weare Station, mowing and raking of lawns, improving of parking areas, ladder carrying rack on No. 4 truck. A new means of filling the tanks was installed on all four trucks which will greatly add to their efficiency. Compartment lights were installed. Motor repairs were made on No. 3 tank.

The department was given the following fittings and equipment: 1 gated 2½" Y connection, 1 nozzle 2¼", 1 hose holder, 2 sets of double male and female connections, a metal ceiling remover and other small items. These were overhauled and polished and installed on the trucks. We have needed these items and are glad to get them. These would cost about $400 if we had bought them.

Purchased during the year were: 300 ft. 1½" double jacket hose, 150 ft. booster hose, 7 coats to replace some which were about 30 years old, 4 tires for No. 4 Truck, a new set of ladders for No. 1 Truck. The company purchased from its own funds a Mobile 2 way radio for No. 1 Truck to replace the one which proved to be quite unsatisfactory.

Once each month the trucks are given a road test and all radio equipment tried out.

Changes were made in the alarm system and a private telephone systen with phones connecting the Central Station and the houses of the red phone operators.

Nine members attended the training school conducted by the Fire Chiefs' Club.

The time contributed by the men of the department in the various activities during the year add up to about $2500. if they had been paid for it. The men receive the same rate of pay for their services at fires that was paid in 1933 when the department was organized.

The Ladies Auxiliary served our annual dinner and lunches after fires. They also put on a Strawberry Festival and a Christmas party. Few towns have an active auxiliary. Ours is of great assistance to us and to the Town.

The manpower situation in town during the daytime is critical. Most of our firemen work away from Weare. The few who are in town during work days have a great responsibility on them. Our equipment and training in its use are designed to make it possible for them to operate efficiently and effectively with few men.

We welcome the inspection of the Stations and equipment at any time and hope to improve the service to the people of Weare.

We wish to thank all who have assisted us during the past year.

Gerald H. Hight
Chief, Weare Volunteer Fire Dept.

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before the potential threat of destructive fires to their beautiful and valuable forests, homes and livlihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and a relinquishing of personal rights for the common good. It was the greatest demonstration of public coöperation ever experienced by those responsible for local and state fire control. The ready forces of volunteer fire services kept the losses low. For their effort and public response the general fire service expresses heartfelt thanks for a job well done.

Prevention, however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience - a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds develop extinquish it promptly.
2. Carry your rubbish to the public dump - its safer. A neglected backyard incinerator causes many fires.
3. Never discard lighted cigarettes or matches. Make this a year round habit regardless of the safety of your surroundings.
4. Children-caused fires are now a major concern. Keep matches away from them and teach them to respect fire and not make it a subject of play.

Let's all join with "Smokey the Bear" and "Keep New Hampshire Green" and growing in 1964.

Number of Fires and Burned Areas in 1963

State - 873 fires - 2117 burned acres
District - 223 fires - 138¼ burned acres
Town - 3 fires - 3¾ burned acres

SCHOOL WARRANT

To the Inhabitants of the School district in the town of Weare qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 7th day of March 1963, at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose Three Members of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will vote to decrease the membership of the school board to three members.

10. If the foregoing article be adopted, to see if the district will vote to decrease the membership of the board by three members each year, and to fill the vacancies thereby occurring by the election each year of one member to serve for a term of three years, until the number of members of said board be reduced to three.

11. To see if the district will vote to elect its school district officers by an official ballot and to adopt the Non-Partisan System as provided in Sections 73, 77-87 of Chapter 59 of Revised Statutes Annotated for such election.

12. To see if the School district will vote to raise and appropriate the sum of one thousand dollars ($1,000.00) to be used for the purchase of library and reference books.

13. To see if the District will vote to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.

14. To transact any other business that may legally come before said meeting.

WEARE SCHOOL DISTRICT

SUPERINTENDENT'S REPORT

February 7, 1964

To the School Board and Citizens of Weare:-

I herewith submit my second annual report relating to the Weare School.

The enrollment for the 1963–64 school year is as follows:

ELEMENTARY SCHOOL				HIGH SCHOOL		
Grade 1	29	Grade 5	24	Grade 9	30	
Grade 2	30	Grade 6	26	Grade 10	25	
Grade 3	28	Grade 7	31	Grade 11	30	
Grade 4	29	Grade 8	33	Grade 12	26	
Total Elementary			230	Total High School		111

The Weare schools have the following new teachers this year as replacements and one additional teacher:

Elementary - Mrs. Ilene N. Parker, Grade 2

High School -
Neil J. Connors, Math.
Albert J. Daigle, Social Studies
William Menzi, Jr. Agriculture, Shop
Louis P. LaForce, Science
Michael Theall, Languages

Outstanding recent improvements in the Weare school system include high school guidance services under the direction of Erland Hodgkins, guidance director, and extended library services initiated by Harry M. Hemphill, school librarian. In the elementary grades, Mrs. Lyhl Perrigo is providing a most important service as a full time remedial reading teacher. Art for grades one through twelve was added this year under the direction of Roger Lamarre, Art Supervisor.

The Weare School Board deserves commendation for its effort in insisting on and supporting the securing and retaining of good teachers for our schools. The Weare School Board has further attempted to provide for properly maintained facilities, with upgraded equipment and materials for teachers and pupils for an effective educational opportunity and preparation.

The boys and girls of Weare are best served educationally as all the forces for good in the community are united to jointly give direction and lend encouragement.

I trust that out mutual efforts in behalf of the educational welfare of the youth of Weare will continue and that there will be an unceasing evaluation and improvement in the quality of education. Our boys and girls of today will chart the future direction not only of Weare, but of America. Each must have an opportunity to receive an education suited to his needs, aspirations and abilities that he may best develop his potential and simultaneously strengthen our Nation.

In conclusion, I wish to express my gratitude for the grave concern, the sincere active interest and the utmost cooperation evidenced by the school board, principal, teachers, pupils and citizens of Weare in the educational welfare of the pupils of the Weare Schools. I wish also to express my appreciation to the Supervisory Union personnel Mr. Spiro Anastos, Teacher Consultant, and Mrs. Ruth Henk and Mrs. Harold Smith of the office staff.

Respectfully submitted,

ERNEST PELTONEN

Superintendent of Schools
